

# Finding A Network Dentist

Faster, easier, friendlier — that's the way everyone wants information. At Delta Dental Plan of Wisconsin, we've made our dentist directories accessible through the Internet and our toll-free phone line.

Delta Dental has over 100,000 participating dentists in our networks across the United States. In Wisconsin there are more than 2,400 network dentists. That means more than 80% of Wisconsin dentists are associated with Delta Dental.

## By Telephone

To access our dentist directories from a touch-tone phone, call **800.236.3712** and follow the automated instructions. Participating dentists are searched by ZIP code. The name, address, and phone number for each dentist will be listed in alphabetical order.

## On the Web

Our user-friendly website allows you to find a dentist, quickly and easily. Go to [www.deltadentalwi.com](http://www.deltadentalwi.com) and click the "Search for a Dentist" icon on the left side of our home page.

- 1. Product Selection:** Click on your group's plan (network). If you don't know, ask the person who handles benefits for your company, because you'll need to know this for the search.
- 2. Your Location:** Enter your address, city, and state, or ZIP code.
- 3. Sorting and Distance:** Allows you to search for specific criteria.
- 4. Additional Search Criteria:** Allows you to search for dentists by their last name, practice name, or specialty.

Your search will list dentists in your area. Results can be sorted by name, contact information, and driving distance. This list can be printed, e-mailed, or viewed in a PDF file.
